

The Oak Grove Pavilion

Mission

It begins with people working together to provide the community with a delightful evening of professional entertainment that is free and family-oriented, and ends with several local charities receiving much needed funding assistance to carry out their important work in the community.

Since 1994 the Oak Grove Pavilion has been a summer entertainment venue. The Pavilion events take place most Saturday evenings on the outdoor stage in the beautiful oak grove behind historic Zion Lutheran Church. The season typically runs from early June to late August. Past events have included musical concerts of classical, Cajun, gospel, bluegrass, blues, Irish-Celtic, jazz, New Age, folk, and rock and roll, and theatrical productions of drama, satire, musicals, and comedy.

Every Oak Grove Pavilion event is free – but a donation is collected at intermission and held until the end of summer. At that time all funds are totaled together and are supplemented with funds given by Thrivent for Lutherans. Over the last 14 years, nearly \$50,000 has been donated to local charities and non-profits that serve Floyd County.
